From the Head of School

Dear Palisades Episcopal School Community,

At Palisades Episcopal School, we begin every day with Morning Meeting where students and teachers gather together in fellowship to prepare for the day ahead. These gatherings are important ways that we build community and express appreciation for each other and the learning experiences we enjoy every day.

I would like to take this opportunity to express my appreciation to all of you who have supported PES over the past year. As you will see in the following pages, there are many ways to positively impact our school community. Many of you responded generously when asked to give to the Annual Fund, support the Gala, contribute to our Capital Campaign, or give freely of your time and talent in support of our School. This Annual Report is just one way we express our sincerest thanks. Please know that your support benefits every student, every day, and is deeply appreciated.

Warmest,

Kerin S. Hughes
Head of School

Palisades Episcopal School is a school honoring Christ and committed to providing a classical education challenging the mind, body and spirit.

Every day, PES students thrive in an atmosphere of stability and opportunity which is the result of exceptional financial leadership by our Head of School and Board of Trustees, along with the spirit of generosity and commitment shared by our entire community.

Philanthropic support to PES plays a critical role in augmenting tuition revenue to help make our exceptional teachers, extraordinary students, competitive athletics, unbounded experiential learning, awe inspiring arts, and scholarship programs possible.
